

Tata Elxsi joins the Minnesota-based Medical Alley Association. Founded in 1984, the Medical Alley Association supports and advances the global leadership of Medical Alley's healthcare industry and its connectivity around the world.

Tata Elxsi is one of the leading design and engineering service providers for the medical devices industry. This association with Tata Elxsi will allow other member companies of the Medical Alley to utilize Tata Elxsi's extensive medical device design and engineering capabilities and realize product commercialization goals. This collaboration is also a testament to Tata Elxsi's focus on the medical device manufacturing cluster in Minnesota.
